

Physics Department Policies for Labs Spring 2022 – Face to Face Labs

- Lab documents, demonstration videos and lectures, and worksheets will be available online in the appropriate lab course's online environment (Brightspace).
- For more details for a specific lab section, refer to the Brightspace pages.

Lab attendance:

- Lab attendance and participation is mandatory.
- Lecture sections registered as “in person” or “face to face” will occur in the scheduled lab room in Langara's T-building. Individual lab instructors may set up an online feed for their labs.
- If a student is a “no show” for two or more labs, for any reason, that student will receive a grade of N (incomplete) for the course, which counts as 0 on their GPA.
- For all labs, if a student does not submit a lab report by the deadline for three or more labs, that student will receive a grade of N (incomplete) for the course.
- Provision for health measures will be accommodated on a case-by-case basis.
- If a student has a valid reason for missing a face-to-face lab, that student must notify their Lab Instructor at soon as possible, to allow for an online version or other make-up provision.

Collaboration and Academic Integrity:

- While collaboration is encouraged, identical work will be regarded as copying.
- Copying and plagiarism will not be tolerated.
- Refer to the <https://langara.ca/student-services/student-conduct-and-judicial-affairs/academic-integrity/cheating-and-plagiarism.html> official Langara document for details.

The above policies will be strictly enforced, barring extraordinary and verifiable circumstances.
